

May 2009 AAUG Meeting Minutes May 20, 2009

- Tricia Saulnier-Littlejohn gave an overview of how to join the AAUG membership/e-mail list, as well as the benefits of joining the list. Those not on the AAUG list have to leave their ID at the front desk and wear a visitor badge when attending the AAUG meetings at the US Fish and Wildlife Building. Those on the list only have to show identification at the front desk.
- Terri Morganson mentioned that there are job openings at Alaska Department of Oil and Gas and at Alaska Department of Environmental Conservation. These and other jobs will be posted on the AAUG web site (<http://www.ak-aug.org/index.cfm?theme=jobs>).
- Terri Morganson suggested that the calendar function be removed from the AAUG web site because it is not being utilized. The group agreed, and the calendar function will be removed.
- Terri Morganson discussed the upcoming 2009 ESRI International Users Conference in San Diego, California. She stated that Alaska will have a strong showing.
- Tricia Saulnier-Littlejohn reminded the group of the upcoming URISA/AAUG Kenai User group meeting in Homer on June 5th. The meeting will cover GISP certification and ESRI mobile technologies.
- Erick Johnson, GIS Programmer Analyst from the Matanuska-Susitna Borough gave a presentation entitled "The State of GIS at the Mat-Su Borough".
